**Section 11.145      Division of Family Support – Food Nutrition Program**

Book 2, Page 159

This appropriation funds three programs: The Food Nutrition Program (FNP), nationally known as Supplemental Nutrition Assistance Program Education (SNAP-Ed), SkillUp, and SNAP Outreach. SNAP-Ed provides information on nutrition, physical activity, food safety and food budgeting education to SNAP eligible individuals, especially women; people with children in the home; at risk, pregnant, and parenting teens; youth; and seniors. SkillUp, Missouri’s employment training program, provides SNAP participants opportunities to gain skills, training or experience that will improve their employment prospects and assists them to obtain and retain sustaining employment, reducing their reliance on SNAP benefits. SNAP Outreach helps low income people buy the food, such as fruits, vegetables, and whole grains they need for good health.

Book 2, Page 249

TANF provides cash assistance to needy families. Eligible families receive a monthly cash payment based on their income and family size, for a period of time not to exceed 45 months total in a lifetime. In addition, this appropriation provides low-income programs that meet one or more of the four purposes of TANF that support low-income families; (1) to provide assistance to needy families to help keep children in the home, (2) to end dependence of needy parents by promoting job preparation, work, and marriage, (3) to prevent and reduce out-of-wedlock pregnancies, (4) to encourage the formation and maintenance of two-parent families.

<p>The Randolph-Sheppard Act provides blind vendors with a preference for certain federal contracts including military food services. The DSS, as the agency administering Rehabilitation for the Blind program in the state of Missouri, has entered into a contract with the Department of Defense to provide full food services at Fort Leonard Wood. The roll of DSS is to facilitate the contract arrangement on behalf of the blind vendor. Payments from the Dept. of Defense are received by DSS, deposited into the State Treasury and paid out to the subcontractor E.D.P. Enterprises, Inc. for its services under the contract. Grants and Donations appropriation authority is currently being used to make these payments. It is requested to create a new section in the Family Support Division where Services for the visually impaired resides.</p>

<p>The CARES Act included higher unemployment payments and direct stimulus payments to individuals that met certain criteria and qualified for the federal tax offset program to recover past due child support. This resulted in significantly higher withholdings from federal tax offsets. As a result, additional appropriation authority is needed to distribute the increased collections to the appropriate families and other payees.</p>
